

## **THE VENUE**

**One Electric Day is held annually on the great lawn of Werribee Park.**

### **Location:**

**The venue address is K Road, Werribee South. The drive from Melbourne CBD is approximately 40 minutes.**

### **Traffic and Parking:**

**Patrons attending the event enter via the main entry ( Gate 2 ) and follow directional signage to the event car park. Car Parking on site is free of charge. Traffic in the area will be at a premium for both the entry and exit phases and long delays can be expected. Please plan with this in mind.**

### **Disabled Parking:**

**Disabled Parking is available in a dedicated car park close to the event entrance. Current accreditation must be supplied and displayed for access to this area. Please follow signage and directions of traffic staff on arrival.**

### **Venue Layout:**

**The event is sold as general admission. Patrons are welcome to bring a camp chair or small picnic rug to the event.**

**The stage front is reserved for standing room only, and unreserved seating areas are located behind this.**
